The Absolute Gospel Company's

40th ANNIVERSARY

This year, 2024, the award-winning Company celebrates its 40th Anniversary. The number 40 is a very spiritual number in the Bible. It means: "new life, new growth, transformation, a change from one great task to another great task".

As God has led us over these 40 years, these words hold great significance for us. The Book of Life is our 30th production and we look forward to welcoming you to one of the performances listed overleaf. We have seen hundreds of people perform in the choirs that have been made up for each musical. Added to that are all the solo singers, actors, narrators, dancers, sound and light technicians, stage managers, artists, make-up people, DVD production teams and publicity personnel.

We have sung in theatres, churches, cathedrals, shopping malls and in the open air. We have performed to audiences of hundreds and on occasions to small groups of less than 50. All are important as we seek to share and proclaim the life changing message of the Gospel and God's purposes.

Some of our most exciting times have been when we have presented musicals abroad. Amongst these were: singing to a Messianic congregation in New York, performing as the sun set in Salem (Massachusetts), singing to a Russian congregation in Boston, all part of our tour up the Eastern seaboard of the United States. During 3 tours of Israel we sang in many places, including singing out over the Dead Sea from the top of Masada, performing on the Mount of Olives overlooking Jerusalem and praising in song at the Jordan River as we watched 14 of our group witnessing their faith in the waters of baptism.

The choir has performed on radio and television and their music has gone out all over the world. In Christchurch, New Zealand, a local choir performed our musical, Stargifts.

God has been so good to us and we continually seek to give Him all the honour, praise and glory.
